Rights Offering

The Issuer agreed to conduct the Rights Offering in order to finance a portion of the purchase price for the Vessels. Pursuant to the Umbrella Agreement, the Issuer agreed to distribute, on November 27, 2023, to holders of Common Units on the Record Date, Rights to purchase Common Units at the Rights Offering Price. The Rights will not be transferable. The Issuer agreed to raise \$500,000,000 in the Rights Offering. Pursuant to the Umbrella Agreement, all of the proceeds that the Issuer receives from the Rights Offering and the Standby Purchase Agreement will be used to finance a portion of the purchase price for the Vessels.

Standby Purchase Agreement

Capital Maritime and the Issuer agreed to enter into the Standby Purchase Agreement on the business day immediately prior to the launch of the Rights Offering. Pursuant to the Standby Purchase Agreement, Capital Maritime has agreed to purchase from the Issuer, subject to the satisfaction or waiver of certain conditions, including the timely completion of the Rights Offering, at the Rights Offering Price, in a private offering to be closed after the conclusion of the Rights Offering, the remaining Common Units that are not purchased through the exercise of Rights. If no unitholders exercise their Rights in the Rights Offering, Capital Maritime will purchase all of the Common Units offered pursuant to the Rights Offering.

There will be no standby purchase fee payable to Capital Maritime pursuant to the Standby Purchase Agreement.

Capital Maritime's purchase of all of the remaining Common Units that are not purchased through the exercise of Rights in the Rights Offering is expected to significantly increase the percentage of Common Units owned by the Reporting Persons relative to the ownership percentage of the Issuer's other unitholders.

Capital Maritime's obligations under the Standby Purchase Agreement will be subject to customary conditions, including the following: (i) the representations and warranties of the Issuer contained in the Standby Purchase Agreement shall be true and correct in all material respects as of the closing date of the Standby Purchase Agreement with the same force and effect as if made on and as of such closing date; (ii) all covenants and agreements contained in the Standby Purchase Agreement to be performed by the Issuer shall have been performed and complied with in all material respects; (iii) no judgment, injunction, decree, regulatory proceeding or other legal restraint shall prohibit, or have the effect of rendering unachievable, the consummation of the Rights Offering or the transactions contemplated by the Standby Purchase Agreement; and (iv) timely completion of the Rights Offering, which subscription period shall be no longer than 16 calendar days following the commencement of the Rights Offering, in accordance with the terms and conditions set forth in the Standby Purchase Agreement and the prospectus supplement for the Rights Offering.

Pursuant to the Umbrella Agreement, the registration and indemnification rights provided for in Section 7.19 of the Partnership Agreement shall apply to any Common Units issued pursuant to the Standby Purchase Agreement and/or acquired by Capital Maritime or its affiliates in the Rights Offering (and may be assigned, in whole or in part, in accordance with clause (e) of Section 7.19 of the Partnership Agreement). In addition, no later than 30 days after a written request by Capital Maritime which may be made beginning on the date that is six months following the closing date of the Umbrella Agreement (or such earlier time as may be agreed by the Conflicts Committee), the Issuer shall prepare and file with the SEC a registration statement under the Securities Act of 1933, as amended, on Form F-3 or the then appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 under the Securities Act or any successor rule thereto, which covers all Common Units issued pursuant to the Standby Purchase Agreement and/or acquired by Capital Maritime or its affiliates in the Rights Offering (the "Shelf Registration Statement"), and shall use reasonable best efforts to cause such Shelf Registration Statement to become effective and remain effective pursuant to Section 7.19 of the Partnership Agreement. For the avoidance of doubt, the provisions of Section 7.19 of the Partnership Agreement shall apply to sales of Common Units pursuant to such Shelf Registration Statement. At any time and from time to time that the Shelf Registration Statement is effective, if Capital Maritime requests, the Issuer shall as promptly as practicable amend or supplement the Shelf Registration Statement to add a holder of such Common Units as a selling securityholder in such Shelf Registration Statement.

The Standby Purchase Agreement may be terminated at any time by mutual written agreement of the Issuer and Capital Maritime. Capital Maritime may terminate the Standby Purchase Agreement if the Issuer materially breaches its obligations under the Standby Purchase Agreement and such breach is not cured within 20 business days following written notice to the Issuer. The Issuer may terminate the Standby Purchase Agreement (i) if consummation of the Rights Offering and/or the transactions contemplated by the Standby Purchase Agreement is prohibited by applicable law, rules or regulations, or (ii) if Capital Maritime materially breaches its obligations under the Standby Purchase Agreement and such breach is not cured within 20 business days following written notice to Capital Maritime. Either of Capital Maritime or the Issuer may terminate the Standby Purchase Agreement if the transactions contemplated by the Standby Purchase Agreement are not consummated by January 18, 2024 through no fault of the terminating party.

Seller's Credit Agreement

Capital Maritime agreed to issue to the Issuer on the closing date of the Umbrella Agreement an unsecured seller's credit in an amount up to \$220,000,000 to finance a portion of the purchase price for the Vessels. The Seller's Credit Agreement will provide that the seller's credit will bear interest at a rate of 7.5% per annum and will have a maturity date of June 30, 2027. The Seller's Credit Agreement will contain customary cross-default provisions. In addition, the Seller's Credit Agreement will contain a covenant requiring the Issuer to prepay any amount drawn under the Seller's Credit Agreement on a quarterly basis beginning on March 31, 2027 by an amount equal to the excess over \$75,000,000 of the Issuer's cash and cash equivalents that are freely available to the Issuer and able to be used by the Issuer for its general corporate purposes, less any actual or contemplated dividends or other distributions as at each applicable quarter end date. The Seller's Credit will also contain a covenant requiring the Issuer to prepay any amount drawn under the Seller's Credit Agreement upon receipt of any new debt proceeds by the Issuer and/or its subsidiaries in an amount equal to the net cash proceeds received by the Issuer and/or its subsidiaries after deducting fees, costs and expenses and after deducting the amount of such proceeds that have been used to refinance any existing indebtedness of the Issuer and its subsidiaries.

Rights of First Refusal

Capital Maritime agreed to grant to the Issuer, beginning on the closing date of the Umbrella Agreement, rights of first refusal over (i) transfers of LNG/C vessels owned by Capital Maritime to third-parties, opportunities to order newbuild LNG/C vessels of which Capital Maritime becomes aware and employment opportunities for LNG/C vessels of which Capital Maritime becomes aware, in each case, for a period ending on the tenth anniversary of the closing date of the Rights Offering, (ii) transfers to third parties of two certain liquid CO₂ carriers and two certain ammonia carriers recently ordered by Capital Maritime (the “New Energy Vessels”) for a period ending on the earlier of (x) with respect to each New Energy Vessel, the date on which such New Energy Vessel is delivered to Capital Maritime and (y) the date on which Capital Maritime and its affiliates no longer beneficially own at least 25% of the issued and outstanding Common Units and (iii) if the Issuer acquires a New Energy Vessel from Capital Maritime, employment opportunities for such New Energy Vessel of which Capital Maritime becomes aware, for a period ending on the date on which Capital Maritime and its affiliates no longer beneficially own at least 25% of the issued and outstanding Common Units.

Name Change and Business Focus

Subject to the terms and conditions of the Umbrella Agreement, the Issuer agreed to publicly announce, as soon as practicable following the signing date of the Umbrella Agreement, that (i) the Issuer and the General Partner shall change the name of the Issuer from “Capital Product Partners L.P.” to “Capital New Energy Carriers L.P.” by or before December 31, 2023 and (ii) the Issuer will explore the disposition of its container vessels and abstain from acquiring additional container vessels after the closing of the Umbrella Agreement. These provisions of the Umbrella Agreement constitute a statement of intent only and do not require the Issuer actually to dispose of its container vessels or to abstain from acquiring additional containers vessels.

Corporate Conversion

Subject to the terms and conditions of the Umbrella Agreement, following the closing date of the Umbrella Agreement, the Issuer, acting through the Conflicts Committee, and the General Partner shall in good faith negotiate and jointly work with tax and other advisors to agree to mutually acceptable terms for the conversion of the Issuer from a Marshall Islands master limited partnership to a corporation with customary corporate governance provisions and, subject to reaching such agreement, shall use their reasonable best efforts to cause such conversion to have been completed within six months of the closing date of the Umbrella Agreement.

Netting

The Umbrella Agreement and the Standby Purchase Agreement permit the Issuer and Capital Maritime to net payments due to each other under the transactions contemplated by the Umbrella Agreement, including the Vessel acquisitions, the Rights Offering and the Standby Purchase Agreement.

Conditions to Closing

The Issuer’s, Capital Maritime’s and the General Partner’s obligations under the Umbrella Agreement are subject to customary closing conditions, including that there be no material adverse change in the business, financial position and prospects of the Issuer.

Termination

The Umbrella Agreement may be terminated at any time by the mutual consent of the Issuer, Capital Maritime and the General Partner.

(ii) (A) neither CPLP nor any of its subsidiaries shall have sustained, since the date hereof, any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, or (B) since the date hereof there shall not have been any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), results of operations, unitholders’ equity, properties, management, business or prospects of CPLP and its subsidiaries taken as a whole, or the Vessels or the CM Subsidiaries taken as a whole, the effect of which, in any such case described in clause (A) or (B), is, individually or in the aggregate, in the judgment of Capital Maritime or the Conflicts Committee, so material and adverse as to make it impracticable or inadvisable to proceed with the Transactions on the terms and in the manner contemplated in this Agreement (a “**Material Adverse Change**”); and

(iii) there shall not have occurred any of the following: (A) a suspension or material limitation in trading in securities generally on Nasdaq; (B) a suspension or material limitation in trading in the Common Units on Nasdaq; (C) a general moratorium on commercial banking activities declared by either Federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (D) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war or (E) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (D) or (E) in the judgment of the Conflicts Committee or Capital Maritime makes it impracticable or inadvisable to proceed with the Transactions on the terms and in the manner contemplated in this Agreement;

(b) In the case of CPLP (and which may be waived solely by CPLP with the consent of the Conflicts Committee):

(i) each of the representations and warranties contained herein of Capital Maritime shall be true and correct as of the date of this Agreement and as of the Closing Date with the same effect as though all such representations and warranties had been made on the Closing Date, except for any such representations and warranties made as of a specified date, which shall be true and correct as of such date, in any case, in all material respects;

9.3 Termination. Notwithstanding anything herein to the contrary, this Agreement may be terminated and the Transactions may be abandoned at any time prior to the Closing Date:

(a) by the mutual consent of the Parties in a written instrument.

(b) by either of Capital Maritime or CPLP upon written notice to the other Parties, if:

(i) the Closing Date has not occurred on or before January 18, 2024; *provided* that the right to terminate this Agreement pursuant to this Section 9.3(b)(i) shall not be available to a Party whose failure to fulfill any material obligation under this Agreement or other material breach of this Agreement has been the primary cause of, or resulted in, the failure of any condition precedent specified in Section 3.8 to have occurred on or before such date;

(ii) any Governmental Authority has issued a statute, rule, order, decree or regulation or taken any other action, in each case permanently restraining, enjoining or otherwise prohibiting any of the Transactions or making the Transactions illegal and such statute, rule, order, decree, regulation or other action shall have become final and nonappealable (*provided* that the terminating party is not then in breach of Section 8.3);

(iii) there has been a material breach of or any material inaccuracy in any of the representations or warranties set forth in this Agreement on the part of the other Party (except, if such other Party is CPLP, for a breach or inaccuracy caused by Capital Maritime or its Affiliates other than CPLP and its Controlled Affiliates), which breach is not cured within 30 days following receipt by the breaching Party of written notice of such breach from the terminating Party, *provided* in any such case that the terminating Party is not then in material breach of any representation, warranty, covenant or other agreement contained herein; *provided, further*, that no Party shall have the right to terminate this Agreement pursuant to this Section 9.3(b)(iii) unless the breach of a representation or warranty, together with all other such breaches, would cause the conditions in Section 3.8(b)(i) (in the case of a breach of representation or warranty by Capital Maritime or Capital GP) or Section 3.8(c)(i) (in the case of a breach of representation or warranty by CPLP) not to be satisfied;

(iv) there has been a material breach of any of the covenants or agreements set forth in this Agreement on the part of any other Party (except, if such other Party is CPLP, for a breach caused by Capital Maritime or its Affiliates other than CPLP and its Controlled Affiliates), which breach has not been cured within 30 days following receipt by the breaching Party of written notice of such breach from the terminating Party, *provided* in any such case that the terminating Party is not then in material breach of any representation, warranty, covenant or other agreement contained herein; *provided, further*, that no Party shall have the right to terminate this Agreement pursuant to this Section 9.3(b)(iv) unless the breach of covenants or agreements, together with all other such breaches, would cause the conditions in Section 3.8(b)(ii) (in the case of a breach of covenants or agreements by Capital Maritime) or Section 3.8(c)(ii) (in the case of a breach of covenants or agreements by CPLP) not to be satisfied; or

(v) there has occurred a Material Adverse Change or an event specified in Section 3.8(a)(iii).

9.4 Effect of Termination. In the event of the termination of this Agreement as provided in Section 9.3, written notice thereof shall forthwith be given by the terminating Party to the other Party specifying the provision of this Agreement pursuant to which such termination is made, and except as provided in this Section 9.4 and Section 9.12, this Agreement (other than Article VI) shall forthwith become null and void after the expiration of any applicable period following such notice. In the event of such termination, there shall be no liability on the part of the Parties, except as set forth in Section 9.16; *provided*, that nothing herein shall relieve any Party from any liability or obligation with respect to any fraud or intentional breach of this Agreement.

9.5 Public Disclosure. Upon any material change in the facts set forth on Capital Maritime's Schedule 13D on file with the SEC, including any change to Capital Maritime's plans or proposals with respect to CPLP, Capital Maritime shall, within two U.S. business days of the occurrence of such material change, update its disclosure in response to Item 4 of such schedule to reflect any such material change.

9.6 Headings. The Article and Section headings contained in this Agreement are inserted for convenience only and will not affect the meaning or interpretation of this Agreement.

9.7 Successors and Assigns. This Agreement shall inure to the benefit of, and be binding upon, the successors and permitted assigns of the Parties.

9.8 Entire Agreement. This Agreement, together with the Exhibits hereto, constitutes the entire agreement and understanding of the Parties in respect of its subject matter and supersedes all prior understandings, agreements, or representations by or among the Parties, written or oral, to the extent they relate in any way to the subject matter hereof. There are no third party beneficiaries having rights under or with respect to this Agreement.

9.9 Counterparts. This Agreement may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same instrument. Facsimile or PDF signatures shall be as effective as originals hereto.

9.10 Governing Law. This Agreement shall be governed by and construed in accordance with the Law of the State of Delaware, without giving effect to any choice or conflict of Law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than State of Delaware.

9.11 Submission to Jurisdiction.

(a) Each of the Parties irrevocably agrees that any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder brought by the other party hereto or its successors or assigns, shall be brought and determined exclusively in the Court of Chancery in the State of Delaware, or if (but only if) that court does not have subject matter jurisdiction over such action or proceeding, in the United States District Court for the District of Delaware. Each of the Parties hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Agreement or any of the Transactions in any court other than the aforesaid courts and to accept service of process in any manner permitted by such courts. Each of the Parties hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense,

counterclaim or otherwise, in any action or proceeding with respect to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to lawfully serve process, (ii) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) to the fullest extent permitted by the applicable law, any claim that (A) the proceeding in such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter of this Agreement, may not be enforced in or by such courts.

(b) By its execution and delivery of this Agreement, each of the Parties (i) irrevocably designates and appoints the Trust Company (Marshall Islands) as its authorized agent (the “**Agent**”) upon which process may be served in any proceeding arising out of or relating to this Agreement or any of the transactions contemplated hereby and (ii) agrees that service of process upon its Agent shall be deemed, in every respect, effective service of process upon such Party, as applicable, in any such proceeding. Each Party further agrees, at its own expense, to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of its Agent in full force and effect. The foregoing shall not limit the rights of any party to serve process in any other manner permitted by Law.

9.12 Survival. Subject to Section 9.4 with respect to fraud or intentional breach of this Agreement, all representations, warranties, agreements and covenants contained in this Agreement shall not survive termination of this Agreement (excluding, for the avoidance of doubt, any representation, warranty, agreement, and covenant contained in the Standby Purchase Agreement, the Share Purchase Agreements or the Seller’s Credit Agreement) if this Agreement is terminated prior to the Closing Date; *provided, however*, that, if the Closing Date occurs (a) the representations and warranties of the Parties contained in this Agreement shall survive the Closing Date until the first anniversary of the Closing Date, and no action based thereon shall be commenced after such first anniversary, and (b) the covenants and other agreements of the Parties contained in this Agreement will survive and remain in effect indefinitely unless a specified period is expressly set forth in this Agreement (in which event such specified period will control).

9.13 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be valid, legal and enforceable under applicable Law. If any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be reformed, construed and enforced as if such invalid, illegal or unenforceable provision had never been contained herein and there had been contained herein instead such valid, legal and enforceable provision.

9.14 Effect of Waiver or Consent. A waiver or consent, express or implied, to or of any breach or default by any Party in the performance by that Party of its obligations with respect to the other Party is not a consent or waiver to or of any other breach or default in the performance by that Party of the same or any other obligations of that Party with respect to the other Party. Failure on the part of a Party to complain of any act of any other Party or to declare any Party in default with respect to the other Party, irrespective of how long that failure continues, does not constitute a waiver by that Party of its rights with respect to that default until the applicable statute-of-limitations period has run.

9.15 Further Assurances. In connection with this Agreement and the Transactions, each Party will execute and deliver any additional documents and instruments and perform any additional acts that may be necessary or appropriate to effectuate and perform the provisions of this Agreement and the Transactions.

9.16 Expenses. Except as otherwise expressly provided in this Agreement, CPLP, on the one hand, and Capital Maritime and Capital GP, on the other hand, shall each bear their own costs and expenses incurred in connection with the preparation, execution and performance of this Agreement including all fees and expenses of agents, representatives, financial advisors, legal counsel and accountants.

9.17 Waiver; Amendment. Subject to compliance with applicable Law, any provision of this Agreement may be (a) waived in writing by the Party benefitted by the provision and approved by the Conflicts Committee in the case of CPLP and executed in the same manner as this Agreement, or (b) amended or modified at any time by an agreement in writing between the parties hereto approved by the Conflicts Committee in the case of CPLP and executed in the same manner as this Agreement.

The Seller agrees to sell and transfer to the Buyer, and the Buyer agrees to purchase from the Seller, for the Purchase Price and in accordance with and subject to the terms and conditions set forth in this Agreement, the Shares free and clear of all Encumbrances, which in turn shall result in the Buyer indirectly owning the Vessel. Notwithstanding the foregoing, the obligation of the Buyer to purchase the Shares shall be conditioned on the representations and warranties of the Seller contained in this Agreement being true and correct in all material respects as of the Closing as though then made and the Buyer having received as of the Closing a certificate to that effect from the Seller.

SECTION 2.02. Closing. On the terms of this Agreement, the sale and transfer of the Shares and payment of the Purchase Price shall take place on the date of delivery of the Vessel from the Builder to the Vessel Owning Subsidiary as buyer according to the terms and conditions of the Shipbuilding Contract, on any date on or prior to 26 December 2026 (the “Closing Date”). The sale and transfer of the Shares is hereinafter referred to as the “Closing”.

SECTION 2.03. Place of Closing. The Closing shall take place at the premises of Capital Gas at 3 Iassonos Street, Piraeus, Greece.

SECTION 2.04. Purchase Price for Shares and Deposit. The Buyer shall pay to the Seller (to such account as the Seller shall nominate) the amount of \$270,000,000 (United States Dollars Two Hundred Seventy Million) (the “Purchase Price”) for the Shares as follows: (i) concurrently with the execution of this Agreement, the Buyer has paid the amount of \$27,000,000 (United States Dollars Twenty Seven Million) (constituting 10% of the Purchase Price) as deposit and security against such Purchase Price for the Shares (the “Deposit”); and (ii) on the Closing Date, the Buyer shall pay the Seller the remaining amount of US\$243,000,000 (United States Dollars Two Hundred Forty Three Million) (constituting 90% of the Purchase Price) against the delivery of the Shares as set forth herein. The Buyer shall have no responsibility or liability hereunder for the Seller’s allocation and distribution of the Purchase Price among the Seller Entities.

SECTION 2.05. Refund of Deposit. If the Vessel is rejected by the Vessel Owning Subsidiary in accordance with the terms of the Shipbuilding Contract and the Vessel Owning Subsidiary terminates, cancels or rescinds the Shipbuilding Contract pursuant to any of the provisions thereof specifically permitting the Vessel Owning Subsidiary to do so, the Seller shall forthwith (not later than 30 days after receipt of notice of such termination) refund to the Buyer, in U.S. Dollars, the full amount of the Deposit. Such refund shall forthwith discharge all the obligations, duties and liabilities under this Agreement of each of the Parties to the other except for any outstanding amounts due by the Buyer to the Seller if any, hereunder.

SECTION 2.06. Payment of the Purchase Price. The payment of any part of the Deposit or the Purchase Price to be paid by the Buyer may be netted against amounts payable on such date by the Seller to the Buyer in accordance with Section 3.11 (Netting of Payments) of the Umbrella Agreement. To the extent paid in cash in United States Dollars, the Purchase Price will be paid by the Buyer to the Seller by wire transfer of immediately available funds to an account designated in writing by the Seller.

SECTION 2.07. Other Agreements and Conditions for the Sale. It is expressly agreed that either prior to or latest on the date of Closing the following must have occurred in form and substance reasonably acceptable to each Party: any confirmation as may be required by the Charterer under the Charter for the change of ownership of the Vessel Owning Subsidiary has been obtained.

SECTION 3.01. Organization and Limited Partnership Authority. The Buyer is duly formed, validly existing and in good standing under the laws of the Republic of the Marshall Islands, and has all requisite limited partnership power and authority to enter into this Agreement and to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by the Buyer, has been effectively authorized by all necessary action, limited partnership or otherwise, and constitutes legal, valid and binding obligations of the Buyer. No meeting has been convened or resolution proposed or petition presented and no order has been made to wind up the Buyer.

SECTION 3.02. Agreement Not in Breach of Other Instruments. The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby and the fulfilment of the terms hereof will not result in a breach of any of the terms or provisions of, or constitute a default under, or conflict with, any agreement or other instrument to which the Buyer is a party or by which it is bound, the Certificate of Formation of the Buyer and the Partnership Agreement, any judgment, decree, order or award of any court, governmental body or arbitrator by which the Buyer is bound, or any law, rule or regulation applicable to the Buyer which would have a material effect on the transactions contemplated hereby.

SECTION 3.03. No Legal Bar. The Buyer is not prohibited by any order, writ, injunction or decree of any body of competent jurisdiction from consummating the transactions contemplated by this Agreement and no such action or proceeding is pending or, to the best of its knowledge and belief, threatened against the Buyer which questions the validity of this Agreement, any of the transactions contemplated hereby or any action which has been taken by any of the Parties in connection herewith or in connection with any of the transactions contemplated hereby.

SECTION 3.04. Securities Act. The Shares purchased by the Buyer pursuant to this Agreement are being acquired for investment purposes only and not with a view to any public distribution thereof, and the Buyer shall not offer to sell or otherwise dispose of the Shares so acquired by it in violation of any of the registration requirements of the Securities Act. The Buyer is an “accredited investor” as such term is defined in Regulation D under the Securities Act. The Buyer understands that, when transferred to the Buyer at the Closing, none of the Shares will be registered pursuant to the Securities Act and that all of the Shares will constitute “restricted securities” under the federal securities laws of the United States.

SECTION 3.05. Independent Investigation. The Buyer has had the opportunity to conduct to its own satisfaction independent investigation, review and analysis of the business, operations, assets, liabilities, results of operations, financial condition and prospects of the Vessel Owing Subsidiary and, in making the determination to proceed with the transactions contemplated hereby, has relied solely on the results of its own independent investigation and the representations and warranties set forth in Articles IV, V and VI.

The Shares constitute 100% of the issued and outstanding Equity Interests of the Vessel Owning Subsidiary.

SECTION 4.05. The Shares. Assuming the Buyer has the requisite power and authority to be the lawful owner of the Shares, upon delivery to the Buyer at the Closing of certificates representing the Shares, duly endorsed by the Seller for transfer to the Buyer or accompanied by appropriate instruments sufficient to evidence the transfer from the Seller to the Buyer of the Shares under the Applicable Laws of the relevant jurisdiction, or delivery of such Shares by electronic means, and upon the Seller's receipt of the Purchase Price, the Buyer shall own good and valid title to the Shares, free and clear of any Encumbrances, other than those arising from acts of the Buyer Entities. AGREEMENT

NOW THEREFORE, in consideration of the foregoing and the mutual covenants herein contained and other good and valuable consideration, the parties hereto agree as follows:

 - (i) the purchase price under that SPA (after deducting the amount of the deposit for the Vessel owned directly or indirectly by the Subsidiary the Shares of which are transferred pursuant to that SPA) exceeds
 - (ii) the aggregate amount of first-lien ship financing, ship lessor financing, or other similar or equivalent financing arrangement obtained by a member of the Group in respect of the Vessel owned directly or indirectly by the Subsidiary the Shares of which are transferred pursuant to that SPA on such Delivery Date,and the amount of the purchase price under such SPA so satisfied shall be the amount of the Seller’s Credit so utilised;

The Owner shall be entitled to any equitable remedy available at law or equity, including specific performance, against a breach by the Manager or any of its employees of this obligation. The Manager shall not resist such application for relief on the basis that the Owner has an adequate remedy at law, and the Manager shall waive any requirement for the securing or posting of any bond in connection with such remedy.

Section 6. Service Fee. In consideration for the Manager providing the Services, the Owner shall pay the Manager the Fees and reimburse the Costs and Expenses as set out in Schedule "C" to this Agreement.

The parties to this Agreement do not intend, and nothing herein shall be interpreted so as, to create a partnership, joint venture, employee or agency relationship between the Manager and the Owner.

Section 8. Force Majeure and Indemnity.

- (i) Neither the Owner nor the Manager shall be under any liability for any failure to perform any of their obligations hereunder by reason of any cause whatsoever of any nature or kind beyond their reasonable control.
- (ii) The Manager shall be under no liability whatsoever to the Owner for any loss, damage, delay or expense of whatsoever nature, whether direct or indirect, (including but not limited to loss of profit arising out of or in connection with detention of or delay to the Vessel) and howsoever arising in the course of performance of the Services UNLESS and to the extent that such loss, damage, delay or expense is proved to have resulted primarily from the fraud, gross negligence or willful misconduct of the Manager or its employees or agents in connection with the Vessel, in which case (save where such loss, damage, delay or expense has resulted from the Manager's or any of its employees' or agents' personal act or omission committed with the intent to cause same or recklessly and with knowledge that such loss, damage, delay or expense would probably result) the Manager's liability for each incident or series of incidents giving rise to a claim or claims shall never exceed a total of US\$3,000,000.

- (v) Without prejudice to the general indemnity set out in this Section, the Owner hereby undertakes to indemnify the Manager, its employees, agents and sub-contractors against all taxes, imposts and duties levied by any government as a result of the operations of the Owner or the Vessel, whether or not such taxes, imposts and duties are levied on the Owner or the Manager. The Owner shall pay all taxes, dues or fines imposed on the Vessel or the Manager as a result of the operation of the Vessel.
- (vi) It is hereby expressly agreed that no employee or agent of the Manager (including any sub-contractor from time to time employed by the Manager and the employees of such sub-contractors) shall in any circumstances whatsoever be under any liability whatsoever to the Owner for any loss, damage or delay of whatsoever kind arising or resulting directly or indirectly from any act, neglect or default on his part while acting in the course of or in connection with his employment and, without prejudice to the generality of the foregoing provisions in this Section, every exemption, limitation, condition and liberty herein contained and every right, exemption from liability, defense and immunity of whatsoever nature applicable to the Manager or to which the Manager are entitled hereunder shall also be available and shall extend to protect every such employee or agent of the Manager acting as aforesaid.
- (vii) The Owner acknowledges that it is aware that the Manager is unable to confirm that the Vessel, her systems, equipment and machinery are free from defects, and agrees that the Manager shall not under any circumstances be liable for any losses, costs, claims, liabilities and expenses which the Owner may suffer or incur resulting from pre-existing or latent deficiencies in the Vessel, her systems, equipment and machinery.

Such changes will be intimated in writing to the Owner and will come into force on intimation or on the date on which such regulatory or other changes come into effect (whichever shall be the later).

Section 14. Severability. If any provision herein is held to be void or unenforceable, the validity and enforceability of the remaining provisions herein shall remain unaffected and enforceable.

If the other party does not appoint its own arbitrator and give notice that it has done so within the 14 calendar days specified, the party referring the dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be as binding as if he had been appointed by agreement.

In cases where neither the claim nor any counterclaim exceeds the sum of US\$50,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.
